Our Vision

A better future
for Western Australians
through connected,
resilient, safe and
sustainable
transport solutions

Our Objectives

Customer Focussed:

We keep our customers at the heart of our decision making and service delivery

Sustainable Transport System:

We deliver sustainable, integrated, accessible and safe transport solutions to meet current and future needs

Optimising Investment and Assets:

We maximise the economic and social benefits of every transport dollar spent

Investing in our People:

We empower our people to collaborate, learn and grow

Collaborative Culture:

We champion collaboration and partnerships to achieve better social outcomes
