

# The Epson Business Scanner Advantage: Organizations Share Their Document Scanner Success Stories

When business workflows require scanned documents, it's often a real-time request that demands a solution with: comprehensive compatibility, road tested reliability and outstanding service & support. Many companies are still transitioning from paper to digital records and Epson business scanners dramatically streamline data capture and access.

Epson offers an unmatched lineup of small, light and portable document scanners; high-speed, networked desktop document scanners; and flatbed scanners that offer large-format support. Epson support for integrated, full-color printing and scanning technologies is unmatched in the industry.

Epson Document Scanners are designed from the ground up with 24/7 reliability in mind. And they're backed by a 3-year limited warranty with available next business day full-unit replacement.

Read the following selection of case studies to see how these business leaders use Epson Document Scanners to ramp up their operational productivity at affordable price points.

## Why Epson Document Scanners?

# Healthcare

## Reliable, Easy to Use, and Economical Solutions

Comprehensive Healthcare

### Challenge

Improve patient experiences, outcomes, and provider workflows and operations using an integrated mix of specialized scanners, printers, and disc storage systems.

### Solution

Leverage Epson's specialized healthcare expertise in integrating the latest product and service innovations to support the spectrum of healthcare delivery and service needs with reliability, efficiency and accuracy.

## PatientLink's Fast Solution to EHR Data Entry

Partner: PatientLink

### Challenge

Streamline patient intake data collection to improve the speed, accuracy and affordability of Electronic Health Record (EHR) workflows, giving healthcare providers more quality patient time and engagement.

### Solution

Pair well-designed, customized "bubble" intake forms with high-speed scanners and Epson WorkForce® Pro multifunction printers, to dramatically streamline data capture and access.

## Targeted Personal Care

Partner: PioneerRx

### Challenge

Streamline and upgrade small to mid-sized pharmacies' capacity to deliver safe, accurate, comprehensive patient service and support through sophisticated use of full-color, integrated scanning and printing technologies.

### Solution

The Epson DS-530 color duplex document scanner showed to be affordable, fast and reliable. This allowed PioneerRX to allocate scanners through the areas that required a capturing solution, instead of adapting their workflow to a limited number of scanners.

## Lightning Fast, Clean and Clear

Partner: Bender Eye

### Challenge

Growing optometry practice was using scanning and printing solutions that were unreliable, expensive and hard to maintain, affecting overall office productivity.

### Solution

Epson document scanners and business inkjet printers helped produce crisp-quality medical documents, quickly and hassle-free, reducing downtime.

## Chiropractic Business Adjusts Office Equipment

Partner: Mensah Chiropractic

### Challenge

Chiropractic physician office required a fast and reliable document scanner and printer that required minimal intervention.

### Solution

Epson office solutions, including the wireless color document scanner and the network multifunction color printer with Replaceable Ink Pack System, provide high-quality scans that require low intervention. That leaves more time to focus on managing the business—not the office equipment.

## Supporting Optometrists' Digital Transformation Efforts

Partner: ECR Vault

### Challenge

Increase staff productivity by digitizing paper documents quickly and at an effective cost while improving communications, quality of care, and the overall patient experience.

### Solution

Combine Epson DS-530 color scanners, software, and Epson CapturePro<sup>SM</sup> support to help staff reclaim 30% of their workweeks and increase patient engagement.

## Preventing Dentists from Drowning in Documentation

Partner: Fusion Dental

### Challenge

Help dental practices speed up the process of digitizing paper documents without disrupting day-to-day dental workflows.

### Solution

Offer Epson DS-530 color duplex scanner—which seamlessly integrates with document management systems to improve efficiency and ensure HIPAA compliance—to dental clients.

# Small and Medium Business

## Building and Cultivating the Client Relationship

Hagan Business Machines

### Challenge

Retain and build customer relationships in the document scanner market segment, by maintaining dealer sell/ service agreement, emphasizing customers' business process optimization and strategic workflow analysis and planning.

### Solution

The Epson CapturePro partner program answers dealers' needs for excellent margins, upfront discounts, evaluation units, training, and marketing support. The program also delivers responsive, personalized service for dealers, all centered on high value, high-performance scanning solutions.
